"Keep it Between the Mustard and the Mayonnaise"

by: jim chism

Well, May is almost here. My allergies are driving me nuts, and the Hummingbirds are back. I guess it must be time to get the old cars out and dust them off and have some FUN.

We have the Open Track Event coming up on May 28-29th. We will need volunteers to work the event. If you have worked the event in the past and want to re-up again this year, or you are a newbie to the open track experience and would like to help, please call me or email me at jim@tradewindinc.com and let me get you on the list. Experience is not necessary, Enthusiasm is.

Ken and Nish Peters have recently tendered their resignations as VP, and Secretary of the MCMC. They will still be actively involved in the club, but their work situations are undergoing some major changes and require their full attention right now. I want to wish them the very best, and hurry back - We Need You. I want to personally thank them for their service.

Our upcoming trip this Summer is being spearheaded by Terri Roach. She is doing a wonderful job planning the trip in every detail. If you have not gone on one of our Summer outings, you need to sign-up. It is going to be a blast. This year we are going to St. Augustine, Florida

We will have our next Board Meeting on May 11, 2010 somewhere in the Franklin, Brentwood, Cool Springs area. Stay tuned for more details.

See you Thursday!

Jim Chism

Lone Ranger to Pensacola

Thursday 3/25, I loaded Becky's 66 Convertible on my open trailer in the rain for the 500 mile road trip to the MCA National in Pensacola, Florida. Becky had to work, so I made the trip alone. The Weather Channels forecast did not show a very pleasant drive. It rained all the way through Tennessee, heavier rains and wind all the way to the southside of Montgomery Alabama. Then, like a miracle, the sun pops out and stayed out for the balance of the weekend.

I spent all day Friday and Saturday morning cleaning all of the road grime and junk off of the car. I was just as dirty as if I had driven it to the show. I enter the car in the MD class, trailered modified, so everything is judged, inside, outside, and the undercarriage. I must have done a decent job of cleaning, the car was awarded a First place in its first National Show.

All in all, the show was a good one. Had the opportunity to see some old friends that you only see at National shows. There were 600+ cars registered in the Mustang side, plus getting to see some amazing early Falcons. At the hotel I had the opportunity to learn a new language, I had a large group of Mustangers from Louisiana on both sides of my room. One thing I would have like to have seen at the show would have been a larger selection of foods available. Eating Sonny's Bar-B-Q and beans for two days does wreck havoc on the digestive system.

Tennessee Baptist Children's Homes (TBCH) is a ministry to children and youth who must live apart from their biological families, as well as children and youth who are still able to reside in their own homes with their parents and siblings. TBCH provides a Christian home and lifestyle to those who must live outside their own homes. The family preservation component allows TBCH to minister to the entire family while allowing the child to remain in their home.
