"Keep It Between the Mustard and the Mayonnaise"

by: jim chism

As many of you know, I made the trek West to the Russo and Steele Collector Car Auction in Phoenix, Arizona last month. We arrived on Monday prior to the Auction, and got our cars into the massive 1000' x 100' tents that are used to display the cars prior to the actual auction.

We kicked back and relaxed in anticipation of the Auction which would start on Thursday. My car was scheduled to go across the block on Saturday afternoon, which was a fantastic time to have your car sold. Mother Nature had other ideas.

On Thursday evening, Phoenix was hit with severe thunderstorms and straight line winds in excess of 50 mph. Needless to say, the tents could not handle that much wind. They all came down, doing considerable damage to approximately 450 of the 600 cars in the field. Mine was not killed, but severely wounded. I will let the links below tell you the rest of the story.

The Cal Special is back at home awaiting the final insurance settlement. I will keep you posted as we go along.

Bonnie Madden at Heacock Classic has been wonderful to work with on this. She has held my hand throughout the entire process. I just wanted to let you guys know that next time you need insurance on your classic Stang. Thanks Bonnie.

Check it out.

Hello,

I'm Byron Randolph, MCA Regional Director with Shoals Mustangs. I writing to inform and invite your club to an upcoming event we are putting together with Mid-South Mustangs. Last year Shoals Mustangs and Mid-South Mustangs sponsored a cruise-in at the Tupelo Automobile Museum in Tupelo, MS. It was a great success with Clubs from Alabama, Tennessee, and Mississippi participating. We managed to have over eighty Mustangs in attendance with only a couple of weeks planning! This year we have decided to crank it up a notch and include a show and shine. In addition to the Show and Shine we are also planning a meal which will include special guest speakers Steven McCarley MCA president and John Clor with Ford Racing and author of Mustang Dynasty. All of this will take place March 13th. Please check out our website www.tupelocruise.com for further details registration. Please past this along to all of your members. We would love to fill the parking lot!!!

If you have any questions about this event please give me a call.

This note goes out to all MCA club Presidents and Regional Directors of MCA clubs in the South East (TN, AL, AR, LA, MS)

The Tupelo Auto Museum has a display during the month of March called "Horses in the House" which focuses on our beloved Ford Mustang. I am working with the museum to help promote this event by locating cars that can be part of the display. In order to participate in the display the cars will need to be in the museum from March 6th through the 27th. All the information about the display requirements and a list of cars we are looking for can be found below or at <http://www.tupelocruise.com/Displays.asp>

I realize the Pensacola event is during this same time frame so if you plan to take your car to Pensacola then you can not do this. However, some of you may know people that are not going to Pensacola that would enjoy being part of this exhibit.

Please help us to find the cars we need by forwarding this email to your club members and posting the information on your local forums.

In addition, there are several MCA clubs that are participating in a weekend destination cruise on March 13th to the museum called the Tupelo Cruise (www.tupelocruise.com). If we have not already been in contact with you please consider this a formal invitation to the event!

Please have people contact me directly if they are interested in being part of the display or attending the event!

Thanks again and hope to see you in Tupelo!

Sincerely
John G Farmer
