UPCOMING CLUB EVENTS

January 20th: MCMC Club Meeting at Piccadilly's

May 27th & 28th: Open Track Event at Nashville Superspeedway

From the President

Happy New Year! I hope everyone enjoyed the Holidays. Before I start looking forward into 2011, I want to look back a bit.

1980 was a good year. I say that because two events happened that year that have now brought us all together. The first was a group of Mustang enthusiasts organizing themselves and forming the Music City Mustang Club. The second was that I purchased my first car. It was a 1967 Mustang convertible and I still own the car today. Who would have thought that 31 years later I would be writing this article and you would be reading it.

Over the years I've spent a lot of time with my '67. It has certainly required its share of maintenance. I've learned that even when it is running well it needs attention. I need to change the oil, I need to keep it clean, and I need to keep it in tune. If I ignore it for any period of time then it takes extra effort to get it back into shape. Being part of the Mustang Club is very similar. Even when we think everything is running smoothly, it takes effort from each of us to keep it that way. If other priorities have caused you to spend time away from the club for a while, it takes some extra effort to re-engage. If you haven't been to a meeting in a while, I hope you can find time in 2011 to come see some old friends and make some new ones. If you have been a regular participant, then I thank you for helping to keep the club running smoothly.

I would also like to thank Jim Chism for his service to the club over the years. Jim has played a key role in helping the club grow and making our events huge successes. Also a big thanks to the officers and board members who volunteered their time this past year. Many of these folks are continuing to serve the club in 2011. There are also several other positions and opportunities to help the club. Many of these positions don't take much time and you might actually enjoy yourself. If you are interested please contact any of the officers or board members.

Let's all fasten our seat belts. We are off and running at the start of a new year.
