From the Desk of the President – May

May means it's time for our Spring Open Track Event. As I write this we are only a few weeks away from the sounds of cars running down the back stretch and the smell of brakes and clutches. If you have not had the opportunity to come out and witness one of our open track events then I encourage you to come check it out. If you can make it to the track early in the morning then come give us a hand. There is always something to do.

May also means the return of Spring and I've learned that means three things in Middle Tennessee; 1) allergies, 2) warmer weather, and 3) storms. Number 1 is an inconvenience, number 2 is something I look forward to, and I hope none of you have been impacted by number 3. Unfortunately, many people have been impacted by severe weather just to our south. Several of us drove down to the Rocket City Mustang Club's annual show in Huntsville and saw some of the damage first hand. Attendees were asked to bring donations for tornado relief and members of the Music City Mustang Club stepped up bringing many bags full of food, soap, toothpaste, and school supplies.

Several months ago I mentioned the SEMA Action Network at one of our club meetings and several of you said you were members. If you are not familiar with this organization, the SEMA Action Network is a nationwide partnership of car clubs, and individual enthusiasts who work together to impact legislation that affects car and truck hobbyists of all kinds. By joining the SAN you will receive up-to-date alerts on hobby-related legislation in your state and across the country. I mention this because there have been two recent updates that many of you will be interested in. The first one is a new law signed by Tennessee governor Bill Haslam that exempts vehicles more than 25 years old from the annual emissions inspection process.

The second update is the creation of the National Collector Car Appreciation Day. July 8th will become an annual event to celebrate and raise awareness of the vital role automotive restoration and collection plays in American society. So mark that date on your calendar and plan to celebrate.

Take care,
Jeff
