

Dear Supporter:

Thank you for your donation and support of the Music City Mustang Club. Your donation of "goody bag" items and / or door prizes will help in making our car show and open track event a success.

The Music City Mustang Club is a non-profit organization that helps to support local and national charities. As an example, in the first quarter of 2010 our club donated \$6000 to the Tennessee Baptist Children's Home. Your support of our event allows us to make this type of donation possible.

If you have any questions regarding the club or our events, please visit our website at [www.musiccitymustangclub.org](http://www.musiccitymustangclub.org).

Thank you,

Jeffrey Billings
