

# High Speed Fun in Music City

## Open Track Guidelines

### Driver Classifications:

Classifications will be determined by the event steward at tech inspection each morning of the event. Classifications will be determined on an individual basis by driver qualifications and vehicle condition. The event steward may, at his/her discretion change a driver classification of any driver during the event if conditions warrant it.

<b>Class</b>	<b>Novice (Green )</b>	<b>Intermediate (Blue)</b>	<b>Experienced (Red)</b>
<b>Speed Limitation</b>	80 MPH	100 MPH	120 MPH

<b>Passing</b>	None	Controlled	Controlled
<b>Experience</b>	None	Driving School or Some Open Track Experience	Driving School Open Track Experience, SCCA Or Comp. License.

### FLAGS AND CONTROLS:

<b>Green Flag</b>	Go, Go, Go.
<b>Yellow Flag</b>	Caution on the track, no passing, reduce speed, look for dangerous conditions.
<b>Black Flag</b>	Individual drivers may be black flagged for various reasons. Driver must return To the grid marshall for instructions.
<b>Blue/Yellow Flag</b>	Passing flag may be waved or displayed to individual drivers. At the next passing location, allow the traffic behind you to pass. You are holding up traffic.
<b>Red Flag</b>	Track is closed. Come to a controlled stop where you are on the track. Stop on the left paved shoulder of the track and stay in your vehicle. Emergency vehicles may need access to a situation on the track.
<b>Checker</b>	End of session, do not take another lap as a cool down. Immediately exit the track at the pit road entrance and return to the garage.
<b>Convertibles</b>	All convertibles must run with their top down. Convertibles must run in the Novice or intermediate class only, unless equipped with roll cage or approved Roll bar.
<b>Driver Meeting Tech Inspection</b>	All drivers must attend the mandatory driver meeting and receive a wristband and all cars must pass tech inspection and receive a driving class number.
